

WHAT IS DIVINE NATION?

Divine Nation is a workshop for readers, healers and LightWorkers seeking a chance to learn in-depth **divination skills** and to **practice one-on-one** with others.

We meet online one Saturday per month. Each workshop addresses a Divine theme, including:

- Sacred Geometry
- Meditation
- Divination Card Spread + Partner Practice

How will this workshop help me?

We all need help on our life journey. One of the best ways to get guidance is through Divination: the art of connecting with Spirit through divination cards and other metaphysical tools. But just connecting with Spirit alone cannot give us the rich diversity of viewpoints and insights that we get from others! This workshop is built around one-on-one practice sessions with other readers. Whatever your level, this is your chance to **"Give a Reading, Get a Reading!"** Each month, you'll get a chance to partner one-on-one with other readers. Their insights and guidance will help you navigate your challenges. Your experience, skills, and intuitions through reading the cards will help them solve their quandaries. You'll build your network as you learn from the many-facet approach we take.

What do I need for class?

- 1 oracle card deck w/ elements e.g. **Transformation Oracle**
- 2 computer / smart device with internet & **zoom.us**
- 3 a surface big enough to lay out card spreads e.g. desk, table, folding table, etc.

You may want to bring your notebook / sketchbook, but if you have *ever* taken one of my classes, you know there'll be **lavishly illustrated notes** with room to write your own comments!

This workshop is for **YOU** if you are ...

- a **complete beginner** who wants to learn how to **READ oracle & tarot cards**
- an intermediate reader who wants to practice reading for a diverse group of others and **INCREASE your PSYCHIC ABILITIES**
- want clarity on your **LIFE JOURNEY & SOUL PATH** through a variety of other readers one-on-one
- seeking **higher consciousness** and deeper, daily connection with **GOD / the Divine**
- **CURIOUS** about **meditation** & how to make it part of your divination practice

\$25 / session
